Crime Continues Moderate Decline During Second Quarter of 2000

Montgomery County Chief of Police Charles A. Moose today announced a continued moderate decline in overall crime within the County during the second quarter of this year, although Part 1 crimes rose two percent. Part 1 crimes are defined as murders, rapes, robberies, aggravated assaults, burglaries, larcenies, and auto thefts. Uniform Crime Reporting (UCR) statistics for the second quarter of 2000, compared to the same period in 1999 reveal:

- Overall, Total Crime (Part I and Part II Totals) is down two percent
- Part I Crime rose two percent, while Part II Crime decreased almost five percent.

During the second quarter of 2000, murders decreased by 25 % (from four to three). Robbery incidents totaled 187, compared to 129 incidents recorded in the second quarter of 1999 for a 45 % increase. Along with this increase in robbery incidents, however, robbery arrests also increased by 51%. Rapes totaled 53 compared to 38 during the same period last year for a 39 % increase. Aggravated assaults decreased by almost six percent, while burglaries increased by almost three percent and auto thefts increased by nine percent from the same comparison period.

The six month cumulative totals for 2000, when compared with the same period last year, revealed that murders decreased by 50%, aggravated assaults decreased by over four percent, and larcenies decreased by over two percent. Rapes increased by almost 22%, robberies increased by almost 20%, auto thefts increased by 10 %, and fatal traffic collisions increased by 53%, from 15 fatalities in the first half of 1999 to 23 this year.

While total crime was down, Police Chief Moose was cautious not to characterize this entirely as good news, but rather more of a mixed-bag announcement. Moose commented that: "We are fortunate to live in a County that is safe and which enjoys a relatively low crime rate, but there is much more that we need to do. During the past quarter, we've seen sharp increases in some categories of serious crime and in traffic fatalities. In order to maintain the quality of our communities, we must continue to keep crime reduction, crime prevention, and traffic safety at the forefront of our daily lives."

And, as he has in the past, Chief Moose reemphasized the importance of focusing on traffic safety as it relates to our quality of life. "We continue to see people die or become seriously injured in vehicle collisions for reasons that could have been prevented. All of us, motorists and pedestrians alike, need to take the time each day to concentrate on traffic safety, especially as this new school year begins. I am, once again, asking everyone to drive the speed limit, stop for red lights, use your seatbelts, get your child-safety seats inspected, and never drink and drive. These are actions that each of us can practice daily to significantly contribute to the overall safety of our community."

Note: A complete crime report is available for pickup at Montgomery County Police Headquarters, Office of Media Services, 2350 Research Boulevard, Rockville, Maryland.
